CORRECTION TO PREVIOUSLY SUBMITTED INFORMATION

DISCLOSURE STATEMENT

Honorable Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

It has come to applicant's attention that the Information Disclosure Statement previously submitted on September 5, 2000 included inadvertent typographical errors or incomplete information.

Specifically, the Information Disclosure Statement filed September 5, 2000, included the following inaccuracies:

- 1) JP 02-208635 was incorrectly listed with a Publication Date of 08/1998. The correct Publication Date is 08/20/1990.
- 2) In an Information Disclosure Statement filed March 15, 2001 it was noted that U.S. Patent Nos. 5,849,602 and 5,289,300 were listed incorrectly and should have been listed as 5,849,601 and 5,289,030. No further response has been received and applicant requests these references be corrected at this time. The '601 and '030

patents are re-listed on the attached Form PTO-1449 for the convenience of the Examiner.

A further Information Disclosure Statement was filed August 15, 2001 subsequently citing U.S. Patent 5,289,300. Due to the close similarity of the patent numbers, it is noted that both U.S. Patent 5,289,300 and 5,289,030 should be of record in the subject application and both of these references are understood to have been previously submitted and considered.

3) The Hatalis et al. article was incorrectly listed with the wrong page numbers. The correct page numbers are 361-364.

The above inaccuracies are corrected on the Form PTO-1449 attached hereto. The Examiner is requested to initial the attached Form PTO 1449 evidencing consideration of the above references and line through the incorrect references on the previously submitted Information Disclosure Statement to ensure that the correct information is printed correctly on any issued patent.

Respectfully submitted,

Eric J. Robinson
